

# EMPLOYER WEB ENROLLMENT FUNCTIONS

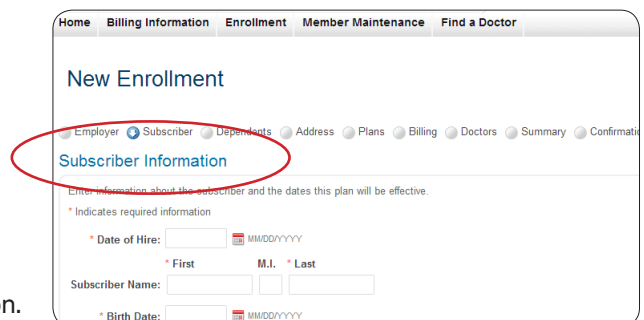

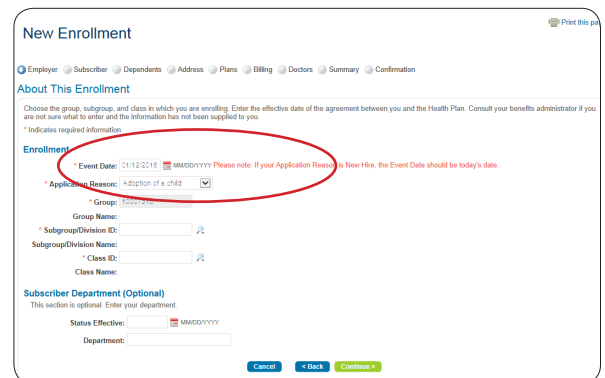

From the online group leader account home page, you have complete flexibility and control over all aspects of your organization's account information. Clearly labeled navigation tabs take you straight to what matters to you most. This self-service functionality allows you to do a variety of tasks; in particular, you are able to self-manage member eligibility.

In this step-by-step guide, we'll walk you through the enrollment functions from your account. Keep reading!

## ENROLLMENT (ALL INFORMATION MUST BE ENTERED IN ALL CAPS)

- 1) From the home page, go to **Enrollment**.
- 2) Select **Enroll Subscriber**.
- 3) Select the **Event Date** (Qualifying Event Date).
- 4) From the drop-down menu, select the **Application Reason**.
- 5) If the **Group** field does not automatically populate with your group number, use the **Group Search** to select your group (Search by group name, group number or effective date).
- 6) Once you have retrieved your group, click on the group ID and it will prefill on your enrollment screen.
- 7) Click on the **Subgroup Search** and select the correct subgroup.
- 8) Click on the **Class ID Search**, select the correct class, and click on user select.
- 9) Subscriber department may be entered (field is mandatory if your group is set up by departments).
- 10) Click **Continue**.
- 11) On the **Subscriber Information** screen, enter the following information in **ALL CAPS**—date of hire, first and last name (middle initial is optional), date of birth, gender, SSN, and marital status.
- 12) Click **Continue**.
- 13) Click **Add Dependent** and enter all dependent information or click **Continue** if no dependents.
- 14) On the **Address Information** screen, enter the address information.

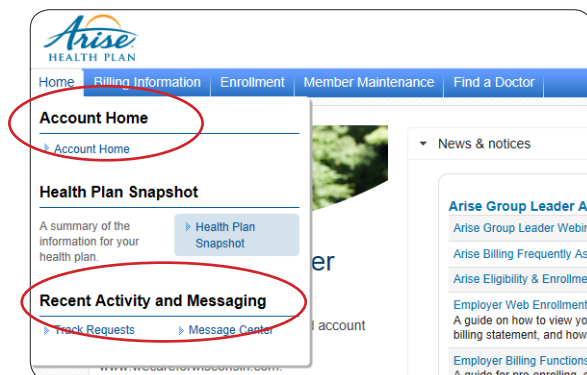

**NOTE:** If not all dependents live at the same address, enter all addresses and then assign them to the correct dependent. Entering a mailing address is optional. EOBs will be sent to the mailing address entered for each dependent.

- 15) On the **Plan Selection** screen, select or decline the applicable coverages.  
(Be sure to complete both the **Medical** and **Rx** sections of this screen.)

**NOTE:** Indicate whether the subscriber and dependents have other coverage, Medicare, or prior insurance. Based on your responses, you may need to complete additional information regarding the other insurance coverage.

- 16) On the **New Enrollment Summary** screen, review all previously entered information for accuracy. Attach any necessary documents to the application on this screen, such as Certificates of Creditable Coverage.
- 17) Once all information is verified, check that you agree with the legal disclaimer and **Complete Enrollment**.
- 18) You will receive a confirmation page with a reference number and a PDF of the application.

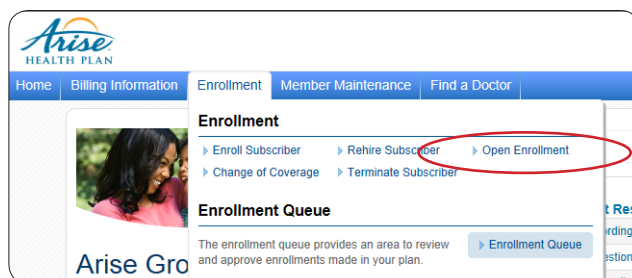

**NOTE:** If ID cards are needed right away, you may order them under the **Member Maintenance, Order ID card** section. This will also allow you to print a temporary ID card once your order is completed.

## MAKING CHANGES DURING OPEN/ANNUAL ENROLLMENT

The Open Enrollment option is available only during the 30 days prior to the group renewal date.

- 1) From the home page, go to **Enrollment**.
- 2) Select **Open Enrollment**.
- 3) Use **Member Search** to find the subscriber you wish to update.
- 4) Select the subscriber or dependent you wish to update.
- 5) Continue through the screens to update subscriber information, dependent information, addresses, qualifying event, sub groups, and plans for the subscriber and any dependents.
- 6) The summary screen will show all the current changes for review prior to clicking **Complete Enrollment**.

## ADDING A DEPENDENT TO AN EXISTING SUBSCRIBER

- 1) From the home page, go to **Enrollment**.
