Guide for Registration

Find In-Network Providers

Click the **Find a Doctor** button at the top of the group leader homepage, enter your information, and search criteria, and you'll see immediate results for in-network providers.

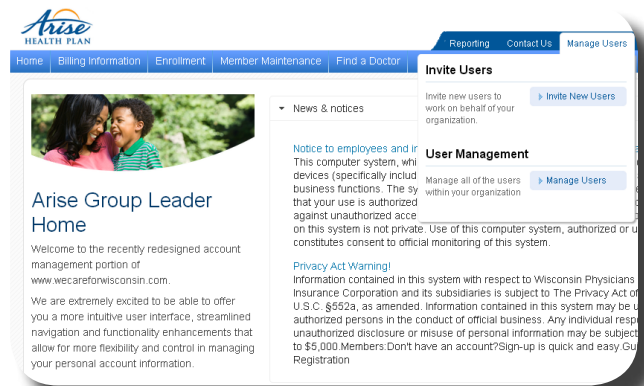

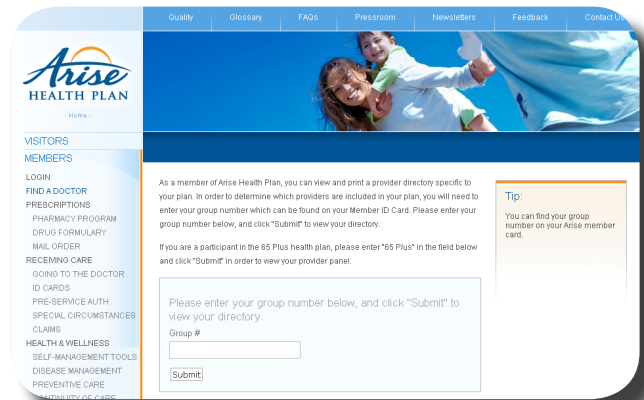

Designate Group Leaders / Administrators

Add additional group leaders and administrators who can assist with your groups' member account information.

At the top right of the group leader homepage, click the **Invite Users** button to invite members of your organization to have access to the group leader account.

Then, click the **Manage Users** button to designate administrators, or other available options. Now you can share responsibility for managing your group with others and that makes the job so much easier.

We hope after exploring your online group leader account, you will be as excited as we are about the new enhancements. Easier access, increased flexibility, control and convenience are just some of the great capabilities of this service. Log on to your group leader account and explore the possibilities today
