FIRST HEALTH WRAP NETWORK

Comprehensive access to health care providers nationwide

Group members covered under a Small or Large Group Risk or Self-Funded Aspirus Arise health plan can enjoy access to in-network benefits when they visit First Health providers in 49 states outside Wisconsin, as well as Puerto Rico. First Health features more than 5,000 hospitals, 90,000 ancillary facilities, and 1 million health care service locations. First Health functions as a wrap network for employees whose children attend school outside Wisconsin, as well as employees and their families who travel outside Wisconsin. Employees living outside Wisconsin can also access the First Health Network as their primary network.

First Health Wrap availability

Includes all 49 states outside Wisconsin.

First Health Wrap providers

Visit AspirusArise.com, click on **Find a Doctor** in the upper right corner, enter your **Group Number**, and click **Go**.

Visitors

If you are visiting our website, go to AspirusArise.com, click on **Find a Doctor** in the upper right corner, and if you agree, click the **I Agree** button. You'll be taken to a search page where you can search for a health care provider.

 *The First Health Wrap covers all 49 states outside Wisconsin.*

If you choose to receive care from a non-participating provider, you will incur higher out-of-pocket costs. For example, all Mayo Clinic locations in Wisconsin and throughout the country are non-participating providers. Please confirm with us your provider's participation in First Health before you receive services.

The Accreditation Commission for Health Care, Inc. (ACHC) is one of the few standard-setting accrediting bodies for home care and alternate site organizations in the country. Their accrediting programs were developed by providers for providers to reflect criteria conducive to providing quality care. ACHC is a not-for-profit organization that has been a symbol of quality since 1986.

American Board (AB):

Established in 1933, the American Board of Medical Specialties (ABMS), a not-for-profit organization comprising 24 medical specialty Member Boards, is the pre-eminent entity overseeing the certification of physician specialists in the United States. The primary function of ABMS is to assist its Member Boards in developing and implementing educational and professional standards to evaluate and certify physician specialists. By participating in these initiatives, ABMS also serves as a unique and highly influential voice in the healthcare industry, bringing focus and rigor to issues involving specialization and certification in medicine. ABMS is a designated primary equivalent source of credential information.

American Board Internal Medicine (ABIM):

The American Board of Medical Specialties (ABMS) has a maintenance-of-certification program, which sets standards and certifies physicians who practice internal medicine and its subspecialties, such as cardiology, endocrinology and geriatrics.

American Board of Family Medicine (ABFM):

The American Board of Family Medicine (ABFM) is the second largest medical specialty board in the United States. Founded in 1969, it is a voluntary, not-for-profit, private organization whose purposes include:

- Improve the quality of medical care available to the public
- Establish and maintain standards of excellence in the specialty of Family Medicine
- Improve the standards of medical education for training in Family Medicine
- Determine by evaluation the fitness of specialists in Family Medicine who apply for and hold certificates

American Osteopathic Board (AOB):

The Bureau of Osteopathic Specialists of the American Osteopathic Association (AOA) is made up of eighteen different specialty boards who implement the below certification criteria:

- Define the qualifications required of osteopathic physicians for certification in the specialty or field of practice that may be assigned to the Board.
- Determine the qualifications of osteopathic physicians for certification in specialty or field of practice that may be assigned to it.
- Conduct examinations in conformity with the Bylaws of this Board.
- Issue certificates subject to the approval of the Bureau of Osteopathic Specialists of the AOA, to those osteopathic physicians who are found qualified.
- Recommend revocation of certificates for cause.
- Use every means possible to maintain a high standard of practice within the osteopathic profession.

American Osteopathic Board of Orthopedic Surgery (AOBOS):

The American Osteopathic Board of Orthopedic Surgery was established in 1979 and exists primarily for the purpose of assisting newly trained orthopedic surgeons in the certification process. The purpose of certification examination is to provide the public with a dependable mechanism to identify physicians who have met a standard to assure competent performance in the field of orthopedic surgery.

Bureau of Quality Assurance, WI DHFS (BQA):

The Division of Quality Assurance (DQA) is responsible for assuring the safety, welfare and health of persons using health and community care provider services in Wisconsin. The WI Department of Health & Family Services licenses, certifies, registers and regulates 45 types of health and community care entities.

Community Health Accreditation Program (CHAP)

Community Health Accreditation Program is an independent and non-profit accrediting body created in 1965. CHAP's goal is for home care to not only prosper, but gain strength in the overall health care industry. CHAP is devoted to providing consultation of the highest caliber, along with a broad network of professional staff resources.

Center for Medicare/Medicaid Services (CMS):

The Centers for Medicare and Medicaid Services (CMS), formerly the Health Care Financing Administration (HCFA), administers Medicare, Medicaid, related quality assurance programs, and other programs.

Commission for Accreditation of Rehab Facilities (CARF):

CARF has been a leading, independent, nonprofit accrediting body of human services since 1966. CARF developed standards that are focused on outcomes and the satisfaction of the people served.

Council on Accreditation (COA):

COA is an international, independent, not-for-profit, child- and family-service and behavioral healthcare accrediting organization. It was founded in 1977 by the Child Welfare League of America and Family Service America (now the Alliance for Children and Families). Originally known as an accrediting body for family and children's agencies, COA currently accredits 38 different service areas and over 60 types of programs.

Site Visit (AHP):

Arise Health Plan will conduct facility site reviews to evaluate the physical accessibility, physical appearance, adequacy of waiting and examining room space, availability of appointments, adequacy of medical/treatment record keeping, safety sanitary practices, confidentiality safeguards, and HIPAA compliance of the clinical facilities where care is provided by Arise Health Plan in accordance with regulatory and accreditation agencies.

The Joint Commission (JC):

The Joint Commission evaluates and accredits nearly 15,000 health care organizations and programs in the United States. An independent, not-for-profit organization, The Joint Commission is the nation's predominant standards-setting and accrediting body in health care.

Aspirus Arise does not use quality measures, member experience measures or cost-related measures to select practitioners and hospitals.

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

Specialty Care Providers

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com

It is the patients' responsibility to verify each provider's participation in Aspirus Arise Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialists require a pre-service authorization from your Primary Care Physician. The authorization must be approved by Aspirus Arise Health Plan prior to services being rendered. Please contact Member Services: 1-800-332-3297, or www.AspirusArise.com
