It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or www.WeCareForWisconsin.com

It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or www.WeCareForWisconsin.com

It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or www.WeCareForWisconsin.com

It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or www.WeCareForWisconsin.com

It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or www.WeCareForWisconsin.com

It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or www.WeCareForWisconsin.com

It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or www.WeCareForWisconsin.com

It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or www.WeCareForWisconsin.com

It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or www.WeCareForWisconsin.com

Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or www.WeCareForWisconsin.com

The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or www.WeCareForWisconsin.com

It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or www.WeCareForWisconsin.com
